

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK

UNITED STATES OF AMERICA,

-v-

CARL ANDREWS,

Defendant.

19-CR-131-06 (PAE)

ORDER

PAUL A. ENGELMAYER, District Judge:

The Court hereby vacates the order it had issued, Dkt. 521, ordering the MCC to allow defendant Carl Andrews to possess and use a laptop computer inside the MCC to review discovery. The Court issued that order under the misimpression that it had been agreed to by all parties and the MCC. For the reasons stated in today's conference, however, the Court directs the Government, working with the MCC and defense, to develop by Monday, October 19, 2020, a concrete arrangement under which Mr. Andrews can promptly and effectively review the Rule 16 discovery and § 3500 material in this case, and to set out the terms of that arrangement in a letter due to the Court that day.

SO ORDERED.

PAUL A. ENGELMAYER
United States District Judge

Dated: October 14, 2020
New York, New York
